## OUR MAJESTIC BEDS FEATURE:

### Sealy StayTrue™ Comfort

Premium fibres are combined with soft foams and indulgent quilts. Our high quality comfort layers are pre-compressed to minimise body impressions.

### Sealy Correct Contour Coils

Each coil works independently to reduce partner disturbance. Using a multi-zoned coil, the cradling system ensures deep-down support for a more restful sleep.

### True-Lock Stabiliser

Unique technology designed to enhance durability and stability across the mattress surface.
